

Task:

Create a word compilation game using letter cards and a dice for individuals to create new words.

Resources:

Scissors
Coloured paper
Felt tips
Pencils
Rubbers
Glue
Rulers

Instructions:

1. Cut out 15 squares of different coloured paper (make sure they are the same size and neatly cut) then write on each card a vowel (repeat this process 2 times). Remember vowels are a, e, i, o and u. On the back of each card write the word: vowel.
2. Cut out 42 squares of different coloured paper and write out all the letters of the alphabet, missing out the vowels, and repeat the process once more. On the back of each card write: consonant.
3. Cut out 12 squares of different coloured paper and write on each square:
3 letter word
4 letter word
5 letter word
6 letter word
Repeat this process 2 times. On the back of each card write : word.
4. On coloured paper copy out the dice template using a ruler and pencil. Write the number 1, 2 and 3 on each side then repeat the process for the other sides.
5. Cut out the template, fold and glue the edges together to form a dice.
