

**Look Who's Reading Task:**

Create a poster using a variety of images or a single image to show celebrities, famous people or well known people reading a variety of texts.

**Resources:**

Laptop/PC

Internet

Word/Publisher

Email

Pens and paper for notes/planning

**Requirements:**

1. Open up a suitable program on your laptop/PC and save your document as: Your name name of work eg: Jane Doe Who's Reading Task.
2. Use the Internet to find suitable images that show people reading different texts and insert them into your document/s.
3. Be creative and produce a poster/s that tells the reader that all types of people, even famous people, read for information and pleasure. Don't forget to use images, colour and text. You can produce a poster that includes one person or lots of people.
4. You must include in your poster the heading: Look who's reading. You can be creative with your font but make sure it can be read easily.
5. Check for any mistakes before you've finished.
6. After your work has been checked please save your work and email it to your tutor.
7. Please do not close down your laptop/PC until your tutor states that they have received your email.
