

Alright?

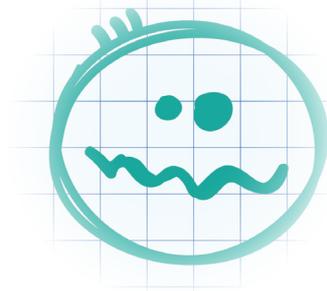

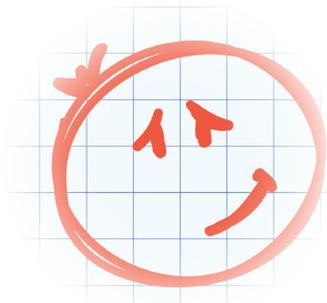

Generally, people are content with how they live their lives

Q.1 All things considered, how satisfied are you with your life as a whole nowadays?
0 means extremely dissatisfied and 10 means extremely satisfied....

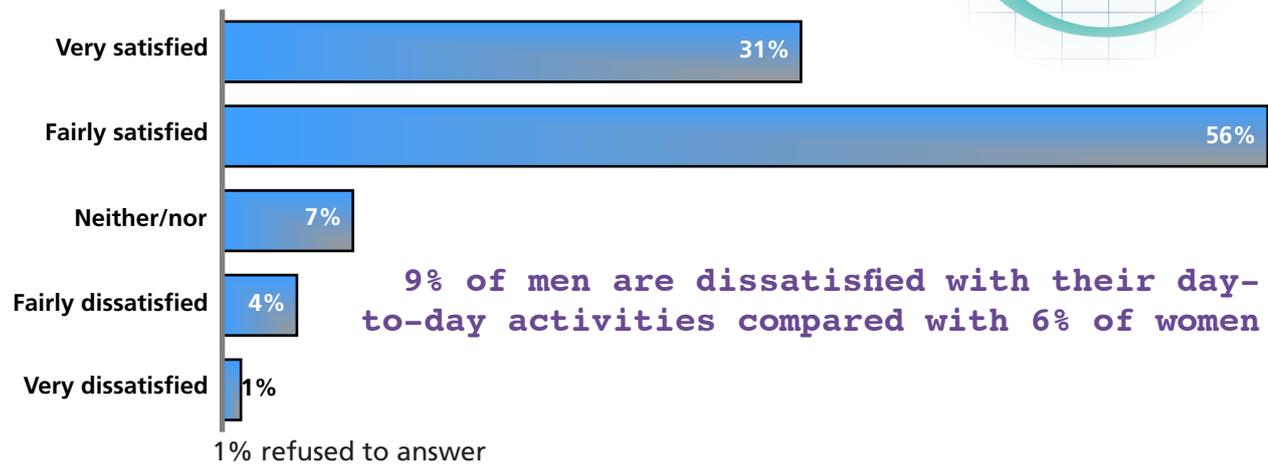

32% of people are very satisfied with their health, compared to 5% who are only fairly satisfied

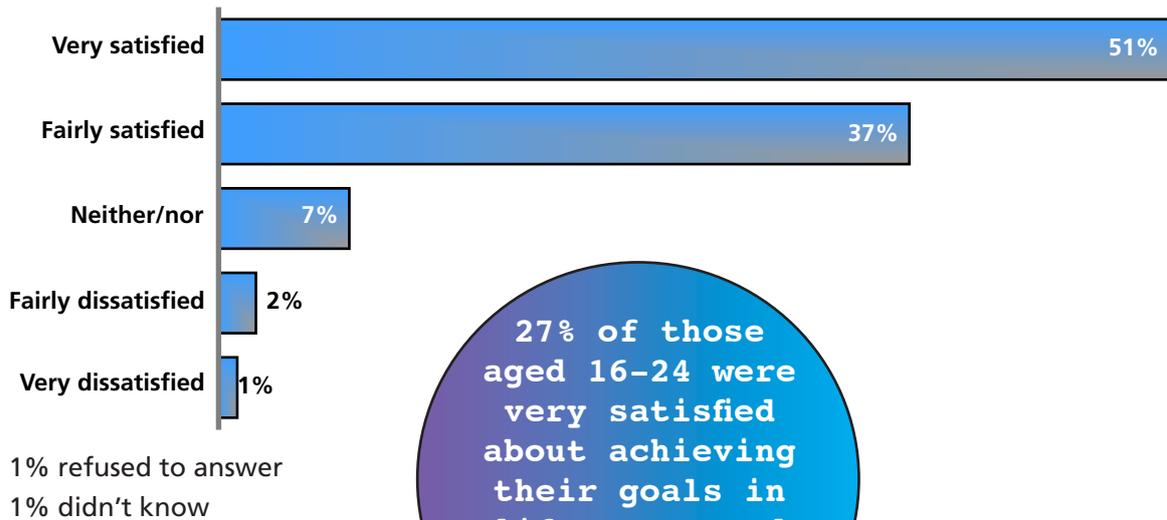

In the youngest age group, 16-24 year olds, 83% were very or fairly satisfied with their ability to influence what goes on in their lives. In the oldest age group, 65+, it was only 73%

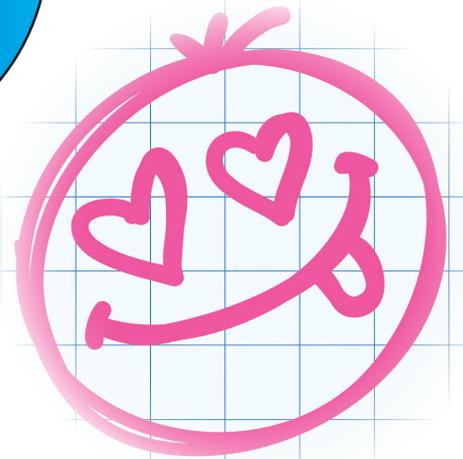

Q.2 How satisfied are you with your standard of living?

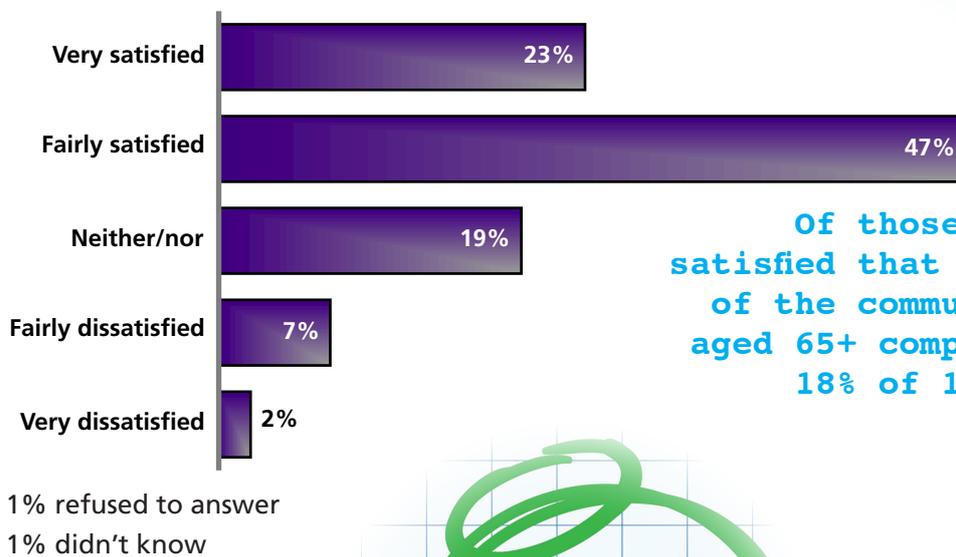

Q.3 How satisfied are you with your personal relationships?

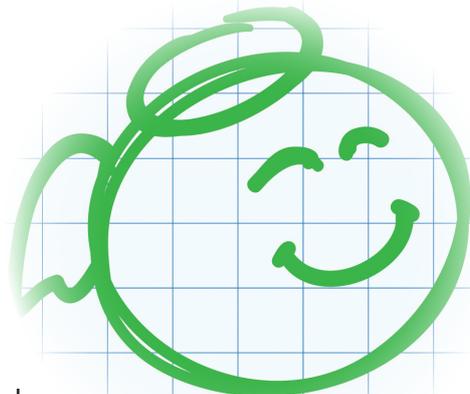

27% of those aged 16-24 were very satisfied about achieving their goals in life, compared with only 22% of those aged 65+

Q.3 How satisfied are you with feeling part of the community

Of those who were very satisfied that they felt part of the community, 30% were aged 65+ compared with only 18% of 16-24 year olds

Base: 1,769 adults, England
