

HOLIDAY TASK

You have £1000 to spend on a holiday (per person)

You can take who you like and go wherever you want within your budget

Create a spider diagram or list of all the things that you need to think about if you're booking a holiday eg: passport

Look through the brochures and decide where you want to go

Write a short piece (at least 4 paragraphs) about your choices and why you want to go there - you need to justify and write descriptively

Remember to use headings and write logically and clearly so the reader is persuaded to go with you...

You will be presenting this work as part of class discussions in a future session
